

you talk about how <sup>we're</sup> ~~were~~ so judgmental, this website is the <sup>epitome</sup> ~~apitamy~~ of judgmental. you think we are crazy because we believe that the bible is the inspired word of God (which it is) and because we try to separate ourselves. the bible says we are a peculiar people. we are not crazy. we know what we believe is right, and that Christ wants us to follow him and do what he asks of us. no matter where that takes us, yes there are fundies as <sup>you</sup> like to call us who listen to <sup>their</sup> ~~there~~ flesh instead of God. we <sup>arent</sup> ~~ant~~ perfect. no one is. maybe you should quit making fun.
